Botsford Senior Living Center Earns State Quality Seal

Hard work and dedication has paid off for the staff of Botsford Senior Living Center in Farmington Hills. The family has earned a level 3 Quality Seal from the Michigan Center for Assisted Living.

"We are thrilled and gratified to see our efforts pay off in this way," said XXXXXXXXXXXXXXXXXXXX. "We strive every day to provide our family of residents with the best in quality, compassionate care. It means so much to receive this kind of validation from our peers."

The process to achieving the Quality Seal began back in 2008, with a goal of finding senior living facilities committed to quality initiatives and improvement in assisted living settings. Participants moved through three steps, each designed to help facilities improve and enhance their care of residents. The efforts are in line with the MCAL's Quality First Pledge, which states in part:

"Through Quality First, we are individually and collectively committed to achieving excellence in the quality of care and services for all those served by long-term care and strengthening public trust. I am united with long-term care providers across the country in a single voice that articulates our commitment to those we serve every day and the American public."

Linda Lawther, President/CEO of MCAL, will present Botsford Senior Living Center with its award on DATE!!!!!!!!!!!!!!!!!!!!!!!!!!!! at the Farmington Hills facility.
