
BOTSFORD COMMONS' MISSION:

*"To create a Fullness of Life
through the joy of relationships,
the art of caring and
the spirit of living."*

If you would like to join our efforts and contribute to our mission, please contact Camille Purdie at cpurdie@botsford.org or (248) 426-6904. For more information, visit our website at www.botsfordcommons.org.

Dear Friends,

As 2011 comes to a close, we would like to take a moment to reflect on this year's highlights. Each and every day, the residents and staff who make up our neighborhood come together to create a special place to live and work – as well as contribute to the greater community.

WORKING TOGETHER... WE'RE PROUD OF WHAT WE ACCOMPLISH!

Serving Our Community - 2011

Who We Are

- 400 vibrant seniors residing in Botsford Commons condominiums, apartments, assisted living, skilled nursing, or short term rehab.
- 310 skilled and dedicated employees boasting an average of 10+ years of service.
- 30+ physicians, medical assistants and nurse practitioners specializing in geriatric medicine.

WE'RE PROUD TO BE EXPERTS IN AGING

Helping Seniors in Our Community and Beyond

At Botsford Commons we take pride in our expertise in senior care and aging. Our Botsford University provides focused education for our staff on caring for seniors.

Our Community Touch Points

- Informed 4,000+ community seniors on senior care and aging through expos, seminars, memory and depression screenings.
- Partnered with Wayne State University by bringing together residents and community seniors for research on aging and driving.
- Trained 100+ student nurses from Schoolcraft College, Everest Institute, and Madonna University.
- Welcomed 36,000 visitors to our campus for tours, educational sessions, recreational events, and resident visits.

Our Senior Assessment Center

- Geriatric and behavioral health professionals evaluated and treated 650+ seniors.

Our Sub-Acute Rehabilitation

- Admitted 1,200 patients from area hospitals; 98% able to return home upon completion of rehabilitation.

Our Senior Living Center

- Earned Bronze National Quality Award from the American Health Care Association/National Center for Assisted Living.
- Awarded Level III Quality Seal from the Michigan Center for Assisted Living.

Our Residents

- Volunteered at Botsford Elementary in Senior Reader program.
- Adopted local students and families in need with meals and backpacks filled with school supplies.
- Our resident artists hosted its 2nd annual watercolor exhibit, drawing patrons from surrounding communities.
- Formed Botsford Boosters to support Foundation efforts.

Our Foundation

- Appointed Advisory Council to guide fundraising endeavors.
- Renovated 3rd Floor Patio for residents living with dementia.
- Completed successful new bus campaign.
- Garnered 400+ contributions from generous donors.

For more than 37 years, Botsford Commons Senior Community has fostered the philosophy of a Fullness of Life for those we serve. As we welcome in 2012, we will continue to develop and discover new ways to make our neighborhood the best it can be for our residents and staff!
